About L'Ecole des Petits

L' Ecole des Petits is a cooperative preschool celebrating over 35 years of excellence in early learning. The preschool familiarizes children, ages 3-5, with the sounds of French language within a developmental, and enjoyable learning environment, while providing the best possible foundation for future learning. Our trained team of educators has expertise in early learning education methods and works collaboratively with families to meet every child's unique needs.

Raising money for L'Ecole des Petits allows us to continue to reach our goal of running a high quality program, while keeping tuition fees affordable for all who wish to attend.

Your Participation in our event, not only supports L'Ecole des Petits, but is helping to enhance the lives of children within our community.
