Welcome to L'École des Petits Preschool!

We are a co-operative French Immersion preschool located in École Holy Cross in Prince Albert. In addition to the French Language, our preschool program offers a supportive environment that foster social and emotional development, explores imagination, and introduces the students to a classroom environment. Like other preschools we offer learning centres, crafts, games, physical education, and out of classroom learning opportunities.

L'École des Petits Preschool has the added benefit of introducing its students to the French language. Your child will become familiar with basic French words, and be exposed to the larger French Immersion community at École Holy Cross, our host school.

We believe a positive preschool experience will provide a stable foundation for your child's education. If you have any questions or concerns contact us at ecoledespetits@sasktel.net or ecoledespetitsboard@gmail.com.

The preschool is located within École Holy Cross, a Prince Albert Catholic School Division school, however we are a non-denominational preschool. We do celebrate events and holidays such as Easter, Christmas, Valentine's Day, Halloween, birthdays, etc. We recognize that children come from diverse backgrounds; therefore, we welcome/encourage learning of other traditions, holidays and cultures. If you have any ideas or suggestions please discuss with the teacher and perhaps they can be included in class. A child's participation in the preschool social functions will be left to the discretion of the parent/guardian.

Preschool Goals

The purpose of the preschool program is to promote the physical, intellectual, social, emotional, and cognitive growth of children ages 3-5. The preschool curriculum is planned with the following goals in mind:

- Introduce French vocabulary
- Help the child recognize himself/herself as a valuable individual in their community through achievement and praise.
- Encourage socialization by cooperating, sharing, and being sensitive to other within our classroom, community and beyond.
- Give opportunities for language and speech development by encouraging the child to verbalize in structured activities.
- Encourage the child to express himself/herself in creative ways with introduction of various materials and equipment.
- Develop enjoyment, appreciation, and interest in music, books, and the environment.
- Develop fine and gross motor skills through indoor and outdoor exercise activity and manipulative table toy play.
- Increase the child's awareness of the world in which he/she lives through interesting learning centres and field trips.

Schedule

We offer two options for programs. 3 Full Days per week or 2 half days per week.

Full days run 8:15 AM – 3:15 PM and are offered on Monday/Wednesday/Friday
Half days run 8:15 – 10:45 AM OR 12:45 – 3:15 PM and are offered on Tuesday/Thursday

Parent Involvement and Expectations

L'Ecole des Petits Preschool is a co-operative, run by a volunteer parent board, we do require parent involvement in order to keep tuition fees low, while maintaining a high level of educational programming.

Fundraising

Each family is **required** to participate in the following 2 fundraisers throughout the school year.

Progressive 50/50 Raffle tickets – \$200 of tickets sold.

Silent Auction - \$150 value donation OR \$150 opt out fee paid to the preschool.

Please note that fundraising requirements are **per child**.

A deadline will be set for each of these fundraisers by the Board and communicated to families in September.

Dates for these are TBD and will be announced throughout the school year.

Field Trips

Parents are invited to join the preschool for field trips. Each field trip will require a specific number of parent volunteers to help supervise the students, which will be at our teacher's discretion. More information will be available ahead of each field trip.
